ANTI-FRIZZ TREATMENT

DISCIPLINANT KERATIN
(including crease and specific mask)

€85 (short hair)

€95 (long hair)

These are the professional services: Smoothing and Disciplining, created to tame frizz and solve the unmanageable curl and meet all kinds of needs.

Disciplining Treatment combats frizz.

Straightening Cream transforms curls into a perfect smooth. It has a duration of 4/5 months.

N.B. ALL treatments are included with the addition of Wellaplex.

HAIR LAMINATION

HAIR LAMINATION

(including crease and specific mask)

€90 (short hair)

€100 (long hair)

Hair lamination is a new service. Unlike the keratin disciplining service, hair lamination is gentler and does not penetrate the hair structure. With this treatment you will eliminate frizz and your hair will look super soft, super shiny, and the style will have a long duration of about 10 days. This technology creates a protective and water-repellent elastic film that can isolate the hair from moisture, so the hair will not frizz. This technology rehydrates the damaged areas of your hair, giving it **elasticity, softness and shine.**

It lasts for about 3 months.

STRAIGHTENING SERVICE
